

46014-265

This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor housing. The parts are numbered 1 through 42. The diagram shows the following components and their assembly relationships:

- Base Housing (3):** The main outer casing, secured with screws (34, 35) and a pin (9).
- Internal Housing (2):** Fits inside the base housing, secured with screws (7, 25) and a pin (9).
- Shaft Assembly:**
 - Shaft (21):** The central rotating component.
 - Impeller (13):** Attached to the shaft via a nut (15) and a lock washer (14).
 - Impeller Nut (15):** Secures the impeller to the shaft.
 - Impeller Lock Washer (14):** Prevents the impeller nut from loosening.
 - Impeller Gasket (20):** Seals the impeller to the shaft.
 - Impeller Gasket O-ring (14):** Seals the impeller gasket.
 - Impeller Gasket O-ring (14):** Seals the impeller gasket.
 - Impeller Gasket O-ring (14):** Seals the impeller gasket.
- Internal Components:**
 - Internal Housing (2):** Contains the impeller and shaft.
 - Internal Housing Gasket (8):** Seals the internal housing to the base housing.
 - Internal Housing Gasket O-ring (7):** Seals the internal housing gasket.
 - Internal Housing Gasket O-ring (7):** Seals the internal housing gasket.
 - Internal Housing Gasket O-ring (7):** Seals the internal housing gasket.
- Accessories:**
 - Accessories (39):** Includes a bracket (29) and a screw (40).
 - Accessories (39):** Includes a bracket (29) and a screw (40).
 - Accessories (39):** Includes a bracket (29) and a screw (40).

The diagram uses dashed lines to indicate the assembly path and alignment of the components.
