Model Name 98cm RIDE-ON COLLECTION TRACTOR MOWER (KIT)

PDP Short Description SUPPLIED COMPLETE AS: TR3801E-B: Includes ride-on mower, 2x blades and 1600W charger. The EGO Collection Tractor benefits from efficient grass collection into a large rear 300 litre collection box to maximise cutting times. The EGO Collection Tractor benefits from efficient grass collection into a large rear 300 litre collection box to maximise cutting times.

Long Description SUPPLIED COMPLETE AS: TR3801E-B: Includes ride-on mower, 2x blades and 1600W charger. The EGO Collection Tractor benefits from efficient grass collection into a large rear 300 litre collection box to maximise cutting times. This 98cm ride-on collection tractor benefits from efficient grass collection into a large rear 300 litre collection box to maximise cutting times. EGO's ride-on mowers deliver the equivalent power of a 22-horsepower petrol engine, with less noise and none of the emissions.

The development of EGO's new ride-on mowers range is a testament to the ground-breaking success of the EGO Z6 ride-on mower. The world's first battery-platform compatible zero-turn ride-on mower proved that the combined power of EGO's revolutionary ARC Lithium™ batteries could more than match petrol-powered equivalents. Also utilising up to six EGO ARC Lithium™ portable batteries, EGO's new Ride-on Tractor Mowers are set to equal the success of the EGO Z6 series. Allowing you to not only match the amount of energy you need for your mowing needs but also, to use the same batteries with other EGO tools.

You can tailor the combination of batteries to suit the size of your lawn and grass cutting preferences, while fully customisable digital controls give you the flexibility to match set-up and performance to the job in hand, cutting up to 2.5 Acres on a single charge*.

*Run time may vary based on the batteries used, charge level of batteries, condition of grass and user's operation technique.

Packaging Contains 1x 98cm Ride-On Collection Tractor Mower [TR3800E-B]
1x Bagging Blades (2 pcs) for 98cm Ride-On Collection Tractor Mower [AB3801TD]
1x 1600W Charger [CHV1600E]

Technical Specifications
